

(TEXT) SENATOR J.W. FULBRIGHT SAID IN WASHINGTON THAT THE
U.S. CITIZENS ARE REALLY WORRIED BECAUSE OF THE ROLE THAT THE
DEFENSE DEPARTMENT AND THE CENTRAL INTELLIGENCE AGENCY (CIA)
ARE PLAYING IN THE CONDUCTION OF U.S. FOREIGN POLICY. FULBRIGHT
SAID THAT ABOUT NINEZERO 90 PERCENT OUT OF APPROXIMATELY MORE
THAN 1,500 RPT 1,500 LETTERS WHICH HE HAS RECEIVED SHOW THE
DISAPPROVAL OF THE CITIZENRY OVER THE UNITED STATES' INTERVENTION
IN THE DOMINICAN REPUBLIC.

ANOTHER ASPECT WHICH WAS BROUGHT TO LIGHT BY THE CHAIRMAN
OF THE U.S. SENATE'S FOREIGN RELATIONS COMMITTEE NOT RPT NOT ONLY
REFERS TO THE CASE OF SANTO DOMINGO BUT ALSO REFERS TO THE IRON-HAND
POLICY AND IMPOSITION WHICH WASHINGTON IS APPLYING TO OTHER LATIN
AMERICAN NATIONS.
